

**YOU'RE GROWING  
AND NEED A RELIABLE  
FREE WEIGHT PARTNER.**

**WE CAN DELIVER.**

When you have a grand opening, nothing's more important than getting your equipment on time. So why take chances with imported product and delivery delays? Iron Grip is the only company that builds its entire line of premium free weights right here in our own US factory. We carry the largest inventory, provide the most comprehensive customer service, and offer the most experienced logistics planning. So your order arrives on time, every time.
