

THE LATEST STRENGTH EQUIPMENT
FOR YOUR CLUB
WEIGHS JUST 0.6 OUNCES.

When it comes to planning your gym's free weights, Iron Grip's already done all the heavy lifting. We've partnered with the top strength manufacturers in the industry to create our *eWeight Planner™*, a software program designed to help you calculate the correct quantity of weights for your gym. Just select your strength equipment from the list of vendors, and the *Planner* does the rest. Download a free copy of the *eWeight Planner™*, at www.irongrip.com, or call us at 800-664-4766 for more information.
