## IRON GRIP OLYMPIC BARS AND ACCESSORIES

- All Iron Grip Olympic Bars are **manufactured in the USA**, and carry a **5-Year Guarantee** against breakage for the original owner.
- Iron Grip bars feature our **hardwearing industrial chrome** finish.
- Iron Grip bars are manufactured from heat-treated, turned, ground and polished steel, developed specifically for use in Olympic bars. They feature machined steel sleeves with exceptionally slick, product-specific bearings and bushings. All bars feature integrated collars that are attached to the bar using our proprietary design, to ensure maximum durability.
- Iron Grip's **Competition Series Olympic Bars** are built to exact International Weightlifting Federation (IWF) specifications and are suitable for Olympic-style competition. Competition Bars feature product-specific premium steel shafts (28mm for 20 kg and 25mm for 15 kg). The heavy-duty sleeves house a specific combination of needle bearings and heavy-duty ball bearings to ensure maximum spin, and each bar is individually calibrated.
- Iron Grip also offers heavy-duty Lock-Jaw Olympic collars. Collars are imported and carry a one-year warranty against breakage for the original owner.

## IRON GRIP DUMBBELLS

- All Iron Grip Dumbbells are **made in the USA**, are **maintenance-free**, and carry a **5-Year Guarantee** against breakage for the original owner.
- Constructed with precision-machined steel handles and drilled, chamfered, and machined heads, that are welded together to produce a solid steel insert. This **solid, welded design** provides superior durability and **maintenance-free reliability**.
- Innovative, patented handle design includes flared shoulders to create a defined gripping area for a more **comfortable, secure, and ergonomic grip**. Beefy handle diameter at each insertion point adds strength and durability.
- Durable, **facility-friendly urethane** is made in the USA and will not scuff or damage equipment, walls, or floors. Highly visible numbers are permanently engraved so they will not wear off or require maintenance.
- Dumbbells up to 27.5 pounds have 6-inch diameter heads; dumbbells weighing 30 pounds and up have 8-inch diameter heads.
- Straight** or **Contour** handles are available, all priced the same. For details, see IronGrip.com.

## CUSTOM LOGO ENGRAVING

Iron Grip’s customization process results in permanently engraved logos that will retain their vivid color and exact detail for the life of the product. They will never fade, come loose, or need to be replaced. Text, logos, and complex artwork can be duplicated through a sophisticated engraving process, and multiple colors can be custom matched. Available on Iron Grip Urethane Olympic plates, dumbbells and fixed barbells.

- Custom engraving fees are estimated based upon complexity of artwork and number of colors, as well as size and location of engraving. Please provide artwork for our review and call for a quote.
- There is a one-time **artwork setup fee of \$250.**
- Urethane plates can be engraved in 45- lb., 35-lb., and 25-lb. sizes only.
- Urethane dumbbells and fixed barbells can be engraved in all sizes.

For examples of our customization capabilities, please visit <https://irongrip.com/custom-logos/> and <https://irongrip.com/custom-engraving-gallery/>.
